

Youth Employment in Agribusiness and Sustainable Agriculture (YEASA) IFAD Project

International Project Proposal Development and Management Training

5-6 October 2021

Application Call Open

YEASA Project is an IFAD funded project lead by Afe Babalola University (ABUAD) in partnership with International Institute of Tropical Agriculture (IITA), Africa Rice Center (AfricaRice) and University of Abomey-Calavi, Benin Republic.

Training Objective

The overall objective of the training is to improve as well as upgrading the project proposal development and management skills of selected senior academic staff across colleges in ABUAD.

Training Partnering Institutions

The training will be conducted in partnership with YEASA project international partners.

Training Benefits to ABUAD Staff

At the end of the training sessions the participants will be able to:

1. Learn resource mobilization methods across different local, regional, national and international donors
2. Identify project development and proposal writing principles
3. Arrange different proposal aspects logically
4. Develop and write an effective proposal
5. Identify the importance of inclusive strategic national and international partners in project proposal submission and implementation
6. Utilize the monitoring and evaluation principals in developing a proposal
7. Write quality project reports with respect to the targeted audience
8. Acquire project implementation and management skills
9. Collect "International Project Proposal Development and Management Training Certificate" of attendance
